

# POWER EDGE II

## SUPER DUTY Degreaser

**Power Edge II** is a super-strength, highly concentrated blend of powerful ingredients formulated to wet, penetrate, and suspend soil, oils and grease for faster, more thorough cleaning effectiveness. **Power Edge II** is butyl- and alkaline-based.

**Power Edge II** can be used safely on multiple surfaces including aluminum, stainless steel, glass, plastic and paint. It contains a special alcohol that helps restore painted surfaces and can give paint a “newly waxed” appearance.

### DIRECTIONS FOR USE

For general use, mix with water up to 75:1 dilution rate. Adjust dilution depending on severity of cleaning situation. Pre-treat stubborn areas with a concentrated solution. Apply with a Hot or Cold Water Pressure Washer. Pressure washers use an injector and mix the detergent into the water spray at a rate of about 15:1. Consult your Astro Products representative for information about detergent metering devices. Always apply from the bottom up and rinse from the top down.

**Applications:** Automobiles, Trucks, Heavy Equipment, Engine Cleaning, Buildings, and nearly every degreasing job.

**Specifications:** Appearance: Clear Yellow-Green Liquid  
pH: 12.5 - 13.5  
Specific gravity: 1.03

**Cautions:** Combustible liquid can cause severe skin burns and eye damage. If swallowed, call a poison control center, doctor, or physician.
